Contractor questions (numbered 1 to 2) and government responses are provided below:

- Q1: Please provide more information regarding the "Greening Program" initiative discussed in Para B.22 of the Bid Schedule, SOW, Supplement Clauses document of the subject RFQ.
- A1: The "Greening program" was established in accordance with Executive Order 13101 - "Greening the Government through Waste Prevention, Recycling and Federal Acquisition" of September 14, 1998. It is meant to reduce the volume of material going to abandonment & destruction (A&D) that may otherwise have recyclable or other recovery value(s). Currently there are no firms enrolled in the program, so there is no effect on the items destined for disposal. However, if/when an interested firm is approved into the Greening Program at a later date, the quality and quantity of items destined for disposal may be affected.
- Q2: In the last form for the End-User info, do I put my name/info at the top or do I leave that part blank and just enter the company info?
- A2: Yes, include your name and personal information at the top portion on page 1.
- NOTE: The proposal submission due date and time is not extended.
